This flexible online programme is designed to introduce you to the fundamentals of pharmacy practice, customer care, pharmacy products, and industry expectations in Aotearoa New Zealand. Whether you're exploring a future in healthcare or taking your first step towards becoming a Pharmacy Technician, you'll build practical knowledge, confidence, and industry-ready skills to support your next move.

ENTRY REQUIREMENT:

- Applicant must be 18 years of age at the start of the programme.
- 8 credits at NCEA Level 1 in English (4 in reading, 4 in writing) or equivalent.
- Minimum of 3 years of secondary education.

STUDY REQUIREMENT:

Online learning requires completion of 8 hours per week of online engagement activities that are facilitator-led, and at least 12 hours per week of online reading, watching videos, learning activities, and formative assessment activities as scheduled.

This programme includes a 6 week Clinical Placement in a retail pharmacy. This is normally scheduled over 3 days per week.
